

PAPER TITLE (Times New Roman 14, centered)

Author¹, Author² [Author's full name, Time New Roman 11, centered]

¹ Department, Name of university, City, Country [Times NR 11]

² Department, Name of university, City, Country [Times NR 11]

*Corresponding E-mail : xxxxxxxxxxxx [Times NR 11]

Abstract [Times NR 12, centered]

Abstract of the paper should not exceed 300 words in length; paragraph should be justified with 1cm indent on both sides. Use Times New Roman 10. The abstract should summarize the main papers contents. It should focus on literature justification, main objective, methodology and results of the paper.

Keywords: *Construction, Template, research [3 to 5 key words, Time NR 10, Italic]*

Received: May 10, 2017
(Use Times New Roman 10)

Accepted: August 02, 2017

Published: September 15, 2017

1.0 Introduction [Times New Roman 12]

Authors are request to read the instructions carefully. Authors are responsible for all the material presented in the papers.

The paper may be submitted electronically in MS word document format.

2.0 Literature Review [Times NR 12]

This document serves as the template as well as guide to authors for submission of paper in International Journal of Sustainable Construction, Engineering and Technology (IJSCT), UTHM.

The paper must be with page size of A4. Body of paper should be formatted in one column, with 2.54 cm (1") top, 2.54 (1") bottom margins and 2.54 (1") margins on sides. Use Times New Roman font pt 11, justified on both sides. However the headings must be followed by using Times New Roman font pt 12.

2.1 Paragraph [Times NR 12]

The first line is to be indented 1 cm to indicate the beginning of each paragraph. Do not change your font sizes or line spacing, and try to avoid headers, footers and footnotes. The reference should be mentioned with number in closed bracket [1]. For multiple references in sequence it should be used as [2-5], however for references not in sequence it should be separated by comma [1, 3, 5].

2.2 Figures and Tables [Times NR 12]

All figures must carry numbers in the text (e.g. Fig. 1) and captions. Captions should be complete enough to allow understanding of the illustration without referring to the text. In addition, a source of the image other than the author's own archive should be placed directly under the image (author, date) and the font size by 1pt smaller than the caption. Use single blank lines before and after the image.

Journal of Technology Management and Business (JTMB)
ISSN : 2289-7224

THE JOURNAL OF TECHNOLOGY MANAGEMENT AND BUSINESS (JTMB) is a bi-yearly, peer-reviewed journal published by the Faculty of Technology Management and Business, Universiti Tun Hussein Onn Malaysia. It is devoted to promote, develop and disseminate theories and practise of technology management, bussiness and entrepreneurship. It is designed for both academics and professionals and derives its audience from universities, researches,practitioners and allied professional organisations throughout the world. Through research and practical papers, the journal enables the sharing of new theories, research, thoughts, experinces and concepts for the management of technology and bussiness new thinking and settings.

A primary purpose that this journal serves is to not only educate practitioners and students, but to provide an outlet for and to motivate researchers to begin new research, collaborate with allied professionals, advance the research agenda and professionalism in the field of technology management and bussiness. As more research is established and published, the professionalism of the industry would be enhanced, ceating further need for research and reseracher, providing more growth to the academic side of technology management and bussiness, and in preparing more and better practitioners to further advance the industry.

The global focus brings contributions from around the world, bringing this emerging and growing industry key insight for improvements and increased professionalism. Special issues devoted to emerging and significant topics in the technology management will be occasionally published.

TOPIC AREAS:
The journal offers through, independent and expert papers to inform relevant audience of the thinking and practice in the fields of:

- Technology and Innovation Management
- Management of Information and Communication Technology
- Production and Operations in Management
- Construction Technology Management
- Real Estate and Facilities Management
- Bussiness and Entrepreneurship

If table data is from another source, cite the source at the bottom of the table and include it in the Reference Section (see example). Each table should be given a brief title and consecutively numbered. Place them as close as practicable to the relevant part of the text. Insert single blank lines before and after the table. Avoid using colors unless it is necessary for the proper interpretation of your figures.

Table 1: Population of the World (centered on the page)

Rank	Country	Population	Date of Estimation	% of world population
	Content Font size	[Times NR 10-11]		
1	People's Republic of China	1,339,724,852	November 2010	19.35%
2	India	1,210,193,422	March 2011	17.48%
3	United States	311,515,000	June 2011	17.48%
4	Indonesia	237,556,363	May 2010	17.48%
5	Brazil	190,732,694	August 2010	17.48%
